

Performance Drive

The best value conferencing
and staff motivation product
on the market from just

£99

Winning team

Nothing is more important to a business than the performance of its employees.

Our Performance Drive package combines a half-day conference or meeting with exhilarating driving activities, providing a memorable experience to motivate your staff from just £99 per person.

Performance Drive

Drive your business forward

Performance Drive is the perfect way to boost employee engagement and provide valuable motivation and staff rewards.

You'll be able to take advantage of our unique conferencing and meeting facilities with an exclusive suite, yours to use for a staff training session, product launch, internal conference or meeting.

In addition you will be able to choose from our impressive portfolio of memorable team building activities for your guests. With up to 11 different driving activities to choose from there's something for everyone.

Our 45 luxurious suites cater for between 25-350 people, offering full air-conditioning, natural light with blackout options and wheelchair access.

The package

Our standard package provides everything you need for your event, including:

- Meeting/conference room hire
- AV package (plasma/projector dependent on room size)
- Three servings of tea/coffee/water and biscuits
- Finger buffet lunch
- Driving experience for all attendees

If you would like to add those invaluable little extras, enhancements include:

- Breakfast, hot buffet lunch or afternoon tea
- Organising transport to and from Rockingham
- Additional stationery and room requirements (e.g. flip charts)
- Wireless internet connection and telephones
- Full event production and liaison with external AV companies

Carbon neutral

The Rockingham Building is carbon neutral and provides an excellent location for companies and organisers who demand more responsibility from event venues.

Working in partnership with The CarbonNeutral Company, we're able to make the other aspects of your event at Rockingham carbon neutral too.

Ferrari 360

400bhp, 0-60mph in 4.5 seconds and a top speed of 183mph - everything you'd expect from the prancing horse.

V8 Supercar

Become a touring car star in these pure-bred racing cars, straight from the Australian V8 Supercar stable.

Formula Rockingham Single Seaters

Revel in the sensation of sheer speed just inches from the wall - this is driving at it's most raw and exhilarating.

Aston Martin V8 Vantage

'The' British Supercar - You'll revel in the roar of the Aston's V8 engine as you push it to the limit. With a top speed of 180mph and superb handling, this car drives as good as it looks.

MINI Cooper S

This iconic little car punches way above its weight and its nimble handling will put a massive grin on your face.

4x4

Side-slopes, seemingly impossible inclines and cross-axle sections - simply getting round this course is challenge enough.

Rallying

Rip up the driving rule book, using Scandinavian flicks and handbrake turns to get around the stage as quickly as possible.

Wet Grip

With the low grip surface, water walls and a kick plate, one false move and you're in a spin!

Race Simulator

You'll need all of your driving skills to set your fastest time in a virtual race car on our International Super Sportscar Circuit.

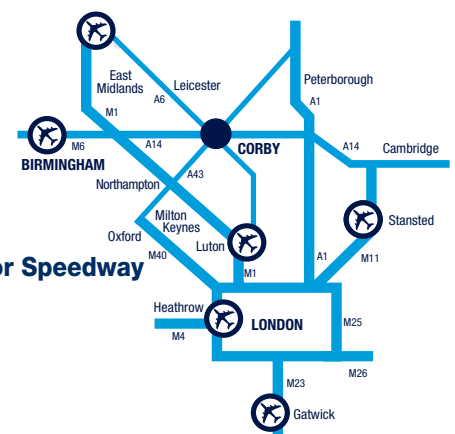

Skid

Sharpen up your skills and hone your reactions to make sure you can catch that unexpected slide.
